REMARKS

This Response is being submitted in response to the Official Action dated 14 July 2006. No claims are amended. Thus, claims 1-2, 5-8, 11 and 13-18 remain pending. The Examiner objected to the previous listing of the claims as the lines were spaced too closely together. This amendment is meant only to present the claims with proper double-line spacing. A Notice of Appeal is being filed concurrently herewith.
